Stanford  
quads

This is a fast-paced class which can help current dancers improve their skills and learn more about the calls, or provide returning dancers a review of all the calls from Basic, Mainstream, and Plus.

The class is also suitable for complete beginners who are able to learn quickly and can attend regularly. Beginners should start with at least one of the intro nights.

After the intro nights, the cost is \$8/week/person, with a discount available for pre-payment. (After the intro nights, regular attendance is expected.)
